

TEAM LEADER

A team leader plays a crucial role in the success of any organisation. Found in sectors that require first-line management, team leaders are responsible for overseeing teams and supporting senior management. They provide direction, guidance, and motivation to ensure team goals are met effectively and efficiently. Team leaders are integral to keeping organisations running smoothly. Whether managing people, planning resources, or supporting major projects, they bridge the gap between strategy and execution. By completing this apprenticeship, you'll learn to influence decision-making, interpret data, and improve business outcomes.

What will I learn?

- Lead and support individuals and teams
- Deliver operational plans and manage projects
- Resolve issues and encourage problem-solving
- Build and maintain strong relationships internally and externally
- Understand budgeting, resource planning, and performance management
- Apply legislation, ethics, and sustainability best practices in your role

The apprenticeship will typically take 18 months to complete.

This apprenticeship standard is at Level 3.

This apprenticeship aligns with The Chartered Management Institute for Associate Membership and Institute of Leadership for Associate Membership
